New Zealand & Rise UP are now at Alert Level 1

COVID-19

Together as a nation we have brought COVID-19 under control. There is no community transmission and there are no active cases of the virus in New Zealand.

The Ministry of Education requirement at Alert Level 1 is that, all children can now attend school. The only exceptions are children who are sick or have any COVID-19 symptoms, are in isolation, or are awaiting for the result of a test. Therefore we ask you parents and caregivers, that all our Rise UP children return to school for learning unless they are unwell.

Advice for students, parents and whānau: Keeping good habits at Level 1

At Alert Level 1 there are no restrictions to all activities. While this is the case, it's still important that we keep the good habits that have helped New Zealand to control the virus:

- ◆ Good hygiene practice everywhere remains important. Remind your children the importance of washing and drying their hands often, coughing or sneezing in to their elbow, and cleaning surfaces regularly.
- ◆ If you or your child is sick, they should stay home. If they have flu symptoms call your doctor or Healthline to check if they need to get tested.
- ◆ Keep track of your whereabouts. If you have older children, encourage them to do the same thing. This will assist with contact tracing if required.
- ◆ Remain vigilant and stay prepared should a new case of COVID-19 be detected within the community.

Kings College Visit

Last week on Friday 4th June, we had a special visit from Kings College. There were 6 Year 11 students and their form teacher.

They came to visit Rise UP because they have a school project which they called YES - Young Enterprise Schools. They want to partner up with us to help with our literacy and provide us with some learning resources. They were surprised at how SHARP our minds were when we were sharing our ideas. Their comments were "they are smarter than us" and "we are very impressed with the ideas and planning".

We have another meeting with Kings College next week and we can't wait to complete the process of planning the project.

By; Michael Fe'ao, Cyrus Holloway & Caleb Leulua'i-Alo

Our Student Council reps Cyrus (Chair), Caleb (CEO) and Michael (Treasurer) completed Pt 1 of Strategic planning for our Whanau Reading day (Term 3) with Kings College YES students (Yr 11) Our boys were running with giants. You would have been very proud of our boys.

SICK children must STAY Home

A gentle reminder that if your child/ren are sick e.g. fever, cough, sneezing or runny nose, shortness of breath, sore throat then they should remain at home or be seen by your GP or you can call Healthline on 0800 358 5453
If your child has any of these symptoms while at school we will be calling you to pick them up from school.

ROAD SAFETY: PICK UP & DROP OFF FOR STUDENTS

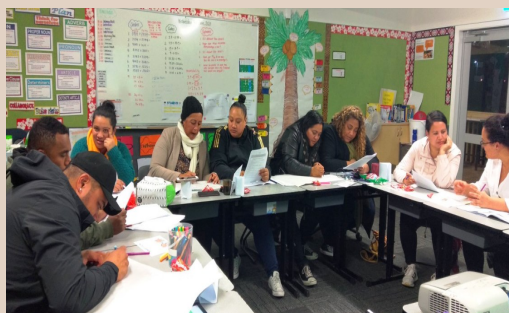

Parents please do not park in the church drive way (close to the main car park) when you are dropping off your children or picking them up. It is difficult to see if any children are walking behind your car or other cars as you are backing out of the church drive way. There are plenty of car parks on the road.
