Its a New Season for Rise UP

Tena Koutou Katoa,

Welcome back to Rise UP Academy 2020. The new year brings a fresh start at our new site and we are as excited as you are about the new learning environment. The children are happy and are settling in well. Every time we walk into the school gate may we all be reminded that God's Grace changes everything!

Thank you to those who attended the dawn service blessing of the new school, please continue to pray

for covering, wisdom, well-being and protection over our students as we build the partnership with Sir Douglas Bader Intermediate School. It is wonderful to see everyone following the new school guidelines and Health & Safety measures in place as we complete the property works. We appreciate your patience as we work towards having all communications up and running in the next few weeks.

Please continue to call the school mobile if you have any questions or concerns until the landline is installed. Enjoy the hot sunny days with your whanau.

To God be the glory, Sita Selupe

WELCOME TO Term One, 2020
Curriculum Area Focus: Social Science

This term our Inquiry learning is about **'Everyone Belongs'**. The children will be exploring their new classroom/school environment spaces. They will also look at their new community and the facilities that are placed around Mangere. It will also entail that even though we have 2 schools on the one property, we can still belong as one whanau, one community where 'Everyone Belongs'.

'School Uniform, sun hats & drink bottles'

Well done RUA Whanau - our children are looking **AMAZING** in their correct school uniform. Let's continue this standard of excellence especially in our new school grounds. We appreciate your support in this area. The sun is still blazing so please ensure your child brings a hat and drink bottle to school each day. We have taps around the school for your child to fill their bottles.

HEALTHY LUNCHES - SHARP MINDS, STRONG BODIES & GOOD HEARTS.

Thank you parents for providing healthy lunches in your child's school lunches. We have been seeing lots of fruits and healthy sandwiches in their lunch boxes these past two weeks. Well Done!!

HOUSE COLOURED T-SHIRTS

This year your child/ren are needing a change of P.E uniform when they are playing outside for sports and during the After School Programmes. Your child has been allocated a House Team (view list on newsletter) to what plain coloured t-shirt you would need to purchase from any local Kmart, Warehouse, or any local store. It is important that the children do have a change of clothing for hygiene purposes. Thank you

House Team List on the last page.

GOOD TO GO VOLUNTEER ARM

A huge thank you to all our parent volunteers who helped supervise our children at the Otahuhu Pools after school on Tuesday. Your help was greatly appreciated as this particular Tuesday deemed to be a very busy one. We will endeavour to get there a little bit earlier so we are on time for our session start times. It was really good for our children to cool down over this heat wave.

If you are free from 3pm-4.30pm on a Tuesday please come down.

Scripture for the term:

1 Corinthians 13:4-7

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres.

Success criteria:

I can show appreciation to my parents (thanking them)

Prayer requests:

- Thanks and praise be to God for His blessings of our new property.
