## Our Vision

There is a Learning Revolution going on in a pocket of South Auckland. Rise UP Academy is a Designated Special Character full primary school which was founded because a group of passionate teachers, committed parents and community leaders had a shared purpose; to improve education outcomes for Pasifika and Maori. The vision of our school is to develop Sharp Minds, Strong Bodies and Good Hearts. The nature of our school is to work collaboratively with our parents to set up our children for success in learning and Hauora (well-being).

## Excellence in the classroom

Teachers plan and develop learning experiences to ensure lifelong learning skills and the New Zealand key competencies are mastered. They provide culturally responsive learning environments to set learners' up for Success.

## Our Values

Rise UP Academy provides Pasifika values based education for new entrants to year 8. Our students will develop knowledge, skills and attitudes that will empower them to grow and thrive in an ever changing world. They will develop a values based world view to shape their hearts and minds during their learning journey here.

**R.I.S.E: RESILIENCE INTEGRITY STEWARDSHIP EXCELLENCE**

A student's day continues until 4.30pm Monday & Wednesday. The After School programme provides further opportunities for all our children to experience success in the Arts, Sports and Culture & Heritage.

## Fully engaged Whanau

After Rise UP programmes, whanau understand their child as a learner and appreciate their unique abilities. They will fully engage with their child and Rise UP Academy through Volunteering, Parent Partnership Meetings and participation in the various Building Learning Communities programmes.

When you enrol your child you enrol your whanau
