The Rise UP Academy **Designated Special Character** consists of

PASIFIKA VALUES BASED CURRICULUM

HEARTS & MINDS BASED INQUIRY LEARNING MODEL

WHĀNAU MENTORING FRAMEWORK

For children to feel a sense of belonging, we believe that small class sizes, led by a dedicated teacher are an integral part of ākonga feeling happy and safe at school.

Teachers are committed to delivering quality learning programmes which are underpinned by a strong values based framework.

Children experience a vibrant and culturally responsive curriculum incorporating our *Inquiry Learning Model* based on the school vision:

SHARP MINDS, STRONG BODIES & GOOD HEARTS

The New Zealand Curriculum sets out clear indicators and progress markers for students to flourish and work towards acceleration in Reading, Writing and Mathematics.

From Te Tiriti O Waitangi we understand that the greater we encounter history with spiritual matters, the greater our knowledge and capacity to understand our identity.

Accordingly The R.U.A *Devotional Curriculum* is the beating *GOOD HEART* of our designated special character.

Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind; and, 'Love your neighbor as yourself'

'It takes a village to raise a child.'*

“Hearts & Minds has impacted my family, but myself mostly. It's been real educational in terms of trying to understand my children, how they learn and their personalities...tailoring my parenting to each child has been great.”
